Loose regular meter, alliteration, stylised phrasing, and structuring by repetition are the principal poetic devices. Content includes mythic, epic, and historical narrative, geographical descriptions, practical observations concerning nature, agriculture, sea lore, and crafts, cautionary tales and parables, philosophical, visionary, and spiritual poetry, and love songs. The deeds and lays are usually chanted, the ballads sung, often with a percussion accompaniment; professional chanters and singers may sing with the harp, the viol, drums, and other instruments. The songs generally have less narrative content, and many are valued and preserved mostly for the tune.. "Not for the same reasons as you," she said, "but I still want to. And we came all this way. Medra walked through the night. He was very lame, and could not always keep up the werelight. When it failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He woke, always cold, always in pain, always thirsty, and when he could make a glimmer of the light he got to his feet and went on. He never saw Anieb but he knew she was there. He followed her. Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to break the stillness of their surface, but he drank from them. He thought he had gone down deeper and deeper for a long time, till he reached the longest of those pools, and after that the way went up again. Sometimes now Anieb followed him. He could say her name, though she did not answer. He could not say the other name, but he could think of the trees; of the roots of the trees. This was the kingdom of the roots of the trees. How far does the forest go? As far as forests go. As long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a moment, and then turned aside and ran lightly down a long, steep slope into darkness..was silent, and Otter watched him with staring intensity, still trying to understand..into silence; only she stamped her small left front foot now and then, and sighed..bones of the mountain now. "As I see it, the man who brought you here meant to do harm, but you do not. Yet being here, Irian, you do us and yourself harm. Everything not in its own place does harm. A note sung, however well sung, wrecks the tune it isn't part of. Women teach women. Witches learn their craft from other witches and from sorcerers, not from wizards. What we teach here is in a language not for women's tongues. The young heart rebels against such laws, calling them unjust, arbitrary. But they are true laws, founded not on what we want, but on what is. The just and the unjust, the foolish and the wise, all must obey them, or waste life and come to grief." .Havnor, they say. There they say the women of the Hand have kept the old arts. And they teach.Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently..the wine merchant there. After the death of Orm the dragons remained a threat in the West, especially when provoked by dragon hunters, but they withdrew from their encroachments on peopled islands and peaceful shipping. Yevaud of Pendor was the only dragon to raid the Inward Lands after the time of the Kings. No dragon had been seen over the Inmost Sea for many centuries when Kalessin, called the Eldest, brought Ged and Lebannen to Roke Island. He saw the lines of the spells that held him, heavy cords of darkness, a tangled maze of lines all would rub out its king with half a spell. But he let Losen act the master. The pirate was a. My teacher was with me, and his teacher with him," Ogon said when they praised him. "I could hold the Gate open because he held the Mountain still." They praised his modesty and did not listen to him. Listening is a rare gift, and men will have their heroes. going beyond certain limits they had to abandon symmetry and regularity of form, and learn from.
