And you have walked under the trees... Our job must be to keep that strength. Hide it, yes. Hoard it, as a young dragon hoards up its fire. And share it. But only here. Pass it on, one to the next, here, where it's safe, and where the great robbers and killers would least look for it, since no one here is of any account. And one day the dragon will come into its strength. If it takes a thousand years..." Hound sniffed, sighed, and followed, trudging along unwillingly, while behind him in the village. Medra woke in pain, in darkness. For a long time that was all there was. The pain came and went, the darkness remained. Once it lightened a little into a twilight in which he could dimly see. He saw a slope running down from where he lay towards a wall of stones, across which was darkness again. But he could not get up to walk to the wall, and presently the pain came back very sharp in his arm and hip and head. Then the darkness came around him, and then nothing... too much. The counterarguments that I heard from him and from Abs were unconvincing -- I, where the man was he betook himself there very quickly, on eagle's wings; for Early was a great. Golden reassured him that the wizard had actually said so, though of course what kind of a gift remained to be seen. The boy's modesty was a great relief to him. Ivory clapped his hand to his right leg. A dog's tooth had ripped his breeches at the calf, and a trickle of blood came through. After spending the next several days trying to recapture the missing word, he had set Silence to studying the Acastan Spells. Together they had finally worked it out, a long toil. This first victory went far to establish a reputation of invulnerability for the school on Roke. and dignity shrank to impotence. "That's something else." "Your father told me. A witch's daughter, a childhood playmate. He believed that you had taught. He left her at the corner of the street, a narrow, dull, somehow sly-looking street that slanted up between featureless walls to a wooden door in a higher wall. He had put his spell on her, and she looked like a man, though she did not feel like one. She and Ivory took each other in their arms, because after all they had been friends, companions, and he had done all this for her. "Courage!" he said, and let her go. She walked up the street and stood before the door. She looked back then, but he was gone. Diamond-The bones of the earth-
