As though he were home to a species of termites that preferred the taste of men to that of wood, Vanadium felt a squirming in his marrow. Junior remembered the very words the detective had used: They say she died in a traffic accident. As he'd been instructed, Vanadium felt along the return edge of the carved limestone casing to the right of the window until he located a quarter-inch-diameter steel pin that protruded an inch. The pin was grooved to facilitate a grip. An insistent, steady pull was required, but as promised, the thumb-turn latch on the inside disengaged. "Yes, I was." She didn't tell him that her fear had not been allayed by his assurances or by his second walk in the rain. Cold, wind-driven rain slashed through the missing windows, and voices rose in the street as people ran toward the Pontiac-thunder in the distance-and on the air was the ozone scent of the storm and the more subtle and more terrible odor of blood, but none of these hard details could make the moment seem real to Agnes, who, in her deepest nightmares, had never felt more like a dreamer than she felt now. "I see. Sometimes. Just quick. For like a blink. Like when you stand between two mirrors. You know?" "So where he threw the quarter," Barty said, as Angel listened intently and nodded her head, "wasn't really into Gunsmoke, 'cause that's not a place, it's just a show. See, maybe he threw it into a place where I'm not blind, or into a place where he doesn't have that

messed-up face, or a place where for some reason you never came here today. There's more places than anybody could ever count, even me, and I can count pretty good. That's what you feel, right-all the ways things are?". She realized she hadn't turned on the radio. Before she could reach for the switch, she was asleep. The traffic light turned green. Now onward home. Rolex recovered and bright upon his wrist, Junior Cain drove his Mercedes with a restraint that required more self-control than he had realized he could tap, even with the guidance of Zedd. He couldn't easily refuse the assignment. Later that year, President Lyndon Johnson, with strong backing from both the Democratic and the Republican Parties, was expected to sign the Civil Rights Act of 1964, and currently it was dangerous for clearheaded believers in the primacy of self to express their healthy instincts, which might be mistakenly perceived as racial prejudice. He could be fired. Jacob Isaacson--twin brother of Edom--knew nothing negative about Panglo, but he didn't trust him. If the mortician had been caught prying gold teeth from the dead and carving satanic symbols in their buttocks, Jacob would have said, "It figures." If Panglo had saved bottles of infected blood from diseased cadavers, and if one day he ran through town, splashing it in the faces of unsuspecting citizens, Jacob would not have raised one eyebrow in surprise. As quick as a snake strikes, Vanadium was much closer to the bed than he had been when he tossed the coin, at Junior's side now, leaning over the railing. "Naomi was six weeks pregnant." Chan nodded. "Considering the advanced stage of Bartholomew's malignancies, he should have complained earlier than he did." "Agnes," said the magician, "you better start meeting with that librarian now to record your own life. If you don't get started for another forty years, by then you'll need a whole decade of talking to get it all down." Sitting on the edge of the bed, Maria lightly salted the runny eggs and spooned them into Agnes's mouth. "Eggs is as chickens does." As the last of the flan was served and Maria's girls took their seats once more, Barty blinked at the candles and said, "Gone now," even though the tiny spectrums still shimmered in the cut crystal. He turned his full attention to the flan with such enthusiasm that his mother soon stopped puzzling over rainbows. Everyone agreed, and the order was placed when their waiter brought appetizers: crab cakes for Nolly, scampi for Kathleen, and calamari for Tom. By invoking the word emergency, Celestina was able quickly to reach her own physician in San Francisco. He agreed to treat Phimie and to have her admitted to St. Mary's upon her arrival from Oregon. So after waiting two months for the superhot Harrison White case to cool down, Junior returned instead to Spruce Hills, traveled bald and pocked and passing as Pinchbeck, under the cover of night. In the glamorous cocktail lounge of this elegant hotel, Junior was necessarily forced to use other of Zedd's techniques--and more brandy--to liberate from his subconscious the name of the caller on the Ansaphone. Max. The caller had said, It's Max. Friday night, he slept more soundly than he'd slept since coming home from the pharmacy to discover Joshua Nunn and the paramedic in solemn silence at Perri's bedside. He didn't dream of trekking across a wasteland, neither salt flats nor snow-whipped plains of ice, and when he woke in the morning, he felt rested in body, mind, and soul.
