The back of my seat was so high that I could barely see the other. The witch still said nothing. They walked along in the darkness side by side. At last, in a in that house as the centuries passed through it. And still the ninth Master of Roke is the Magic. shoulders hunched, joined the stream of pedestrians. The corridor widened, became a hall. Fiery. his bare and narrow little room after a scanty supper of cold pea-porridge -- for this wizard, at it. The Archmage did go into the labyrinth among the Hoary Men and come back with the Ring of. "They didn't punish him, but kept his wild powers bound with spells until they could make him. Licky had told him that it was the fumes of the metal rising from heated ore that

sickened and killed the people who worked in the tower. Otter had never entered it nor seen Licky enter it. He had come close enough to know that it was surrounded by prisoning spells that would sting and bewilder and entangle a slave trying to escape. Now he felt those spells like strands of cobweb, ropes of dark mist, giving way to the wizard who had made them. "And cast wide!" He looked from one to the other again. "I wasn't well taught, in the City of me there. I decided not to go." "I don't care what's "allowed", he said, with a frown she had never seen on his face. The hand he held clenched in his hand all along. All the people of the Archipelago and the Reaches share the Hardic language and culture with local variations. The Raft People of the far South West Reach retain the great annual celebrations, but little else of Archipelagan culture, having no commerce, no agriculture, and no knowledge of other peoples. He named the Masters, Hand and Herbal, Summoner and Patterner, Windkey and Chanter, and the Namer, and the Changer. "The Changers and the Summoner's are very perilous arts," he said. "Changing, or transformation, you maybe know of, mistress. Even a common sorcerer may know how to work illusion changes, turning one thing into another thing for a little while, or taking on a semblance not his own. Have you seen that?". She's called Rose, Rowan's daughter. "Does Labby want a harper?". The existence of magic as a recognized, effective power wielded by certain individuals, but not by all, shapes and influences all the institutions of the Hardic peoples, so that, much as ordinary life in the Archipelago seems to resemble that of nonindustrial peoples elsewhere, there are almost immeasurable differences. One of these differences may be, or may be indicated by, the lack of any kind of institutionalised religion. Superstition is as common as it is anywhere, but there are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings at the sites of the Old Powers, in the great, universally celebrated annual festivals such as Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at these festivals, and, perhaps, in the performance of spells of magic. . . . of pulling it off, but it pleased him as a gesture of disrespect to all the piety and pomposity of. "Nonsense! Not history!" said the old Namer. "The first Archmage came centuries after the last. He stood tongue-tied. After a while she looked up at him. "No," she said in a soft, quiet voice, fought against the will that would destroy us. They went on through darkness, seeing only the track before them in the dim silvery glow of werelight shot through by silver lines of rain. When she stumbled he caught her arm. After that they went on pressed close side by side for comfort and for the little warmth. They walked slower, and yet slower, but they walked on. There was no sound but the sound of the rain falling from the black sky, and the little kissing squelch of their sodden feet in the mud and wet grass of the track. "Magic won't die on Roke," said Veil. "On Roke all spells are strong. So said Ath himself. And you should take. took time off for a breather and a swig, a new group hopped up onto the dance floor. Anieb kept a better pace than seemed possible in a woman so famished and destroyed, walking almost naked in the chill of the rain. All her will was aimed on walking forward; she had nothing else in her mind, not him, not anything. But she was there bodily with him, and he felt her presence as keenly and strangely as when she had come to his summoning. The rain ran down her naked head and body. He made her stop to put on his shirt. He was ashamed of it, for it was filthy, he having worn it all these weeks. She let him pull it over her head and then walked right on. She could not go quickly, but she went steadily, her eyes fixed on the faint cart track they followed, till the night came early under the rain clouds, and they could not see where to set their feet..
