That is probably the outcomes of your readers can be influenced by mcdougal out of each theory. And this ebook is acutely had to browse through, some times detail with detail, it might be consequently great for the your own life and you. ? ? ? ? ? f. The Sixth Voyage of Sindbad the Sailor.45. The Man who stole the Dog's Dish of Gold cccxl.Lackpenny and the Cook, The, i. 9..The Khalif marvelled at my speech and said, 'How great is this king! Indeed, his letter testifieth of him; and as for the magnificence of his dominion, thou hast acquainted us with that which thou hast seen; so, by Allah, he hath been given both wisdom and dominion.' Then he bestowed on me largesse and dismissed me, so I returned to my house

and paid the poor-rate (216) and gave alms and abode in my former easy and pleasant case, forgetting the grievous stresses I had suffered. Yea, I cast out from my heart the cares of travel and traffic and put away travail from my thought and gave myself up to eating and drinking and pleasure and delight." Abdallah ben Nafi and the King's Son of Cashghar, ii. 195..? ? ? ? b, The Merchant's Wife and the Parrot dccccxxx.? ? ? ? In every rejoicing a boon (232) midst the singers and minstrels am I,;? ? ? ? ? b. The Cook's Story (238) cxxi.? ? ? ? If thou forsake us, there is none Can stand to us instead of thee..Then I took the present and a token of service from myself to the Khalif and [presenting myself before him], kissed his hands and laid the whole before him, together with the King of Hind's letter. He read the letter and taking the present, rejoiced therein with an exceeding joy and entreated me with the utmost honour. Then said he to me, 'O Sindbad, is this king, indeed, such as he avoucheth in this letter?' I kissed the earth and answered, saying, 'O my lord, I myself have seen the greatness of his kingship to be manifold that which he avoucheth in his letter. On the day of his audience, (212) there is set up for him a throne on the back of a huge elephant, eleven cubits high, whereon he sitteth and with him are his officers and pages and session-mates, standing in two ranks on his right hand and on his left. At his head standeth a man, having in his hand a golden javelin, and behind him another, bearing a mace of the same metal, tipped with an emerald, a span long and an inch thick. When he mounteth, a thousand riders take horse with him, arrayed in gold and silk; and whenas he rideth forth, he who is before him proclaimeth and saith, "This is the king, mighty of estate and high of dominion!" And he proceedeth to praise him on this wise and endeth by saying, "This is the king, lord of the crown the like whereof nor Solomon (213) nor Mihraj (214) possessed!" Then is he silent, whilst he who is behind the king proclaimeth and saith, "He shall die! He shall die! And again I say, he shall die!" And the other rejoineth, saying, "Extolled be the perfection of the Living One who dieth not!" And by reason of his justice and judgment (215) and understanding, there is no Cadi in his [capital] city; but all the people of his realm distinguish truth from falsehood and know [and practise] truth and right for themselves.' So the man returned to his lodging and going in to his slave-girl, said to her, "O Sitt el Milah, I went out on thine occasion and there met me the young man of Damascus, and he saluted me and saluteth thee. Indeed, he seeketh to win thy favour and would fain be a guest in our dwelling, so thou mayst let him hear somewhat of thy singing." When she heard speak of the young Damascene, she gave a sob, that her soul was like to depart her body, and answered, saying, "He knoweth my plight and is ware that these three days past I have eaten not nor drunken, and I beseech thee, O my lord, by the Great God, to accomplish the stranger his due and bring him to my lodging and make excuse to him for me." Meanwhile, Aboulhusn abode in the Khalifate, taking and giving, ordering and forbidding and giving effect to his word, till the end of the day, when he gave [those who were present] leave and permission [to withdraw], and the Amirs and officers of state departed to their occasions. Then the eunuchs came to him and calling down on him length of life and continuance [of glory and prosperity], walked in attendance upon him and raised the curtain, and he entered the pavilion of the harem, where he found candles lighted and lamps burning and singing-women smiting [on instruments of music]. When he saw this, he was confounded in his wit and said in himself, "By Allah, I am in truth Commander of the Faithful!" As soon as he appeared, the slave-girls rose to him and carrying him up on to the estrade, (30) brought him a great table, spread with the richest meats. So he ate thereof with all his might, till he had gotten his fill, when he called one of the slave-girls and said to her, "What is thy name?" "My name is Miskeh," replied she, and he said to another, "What is thy name?" Quoth she, "My name is Terkeh." Then said he to a third, "What is thy name?" "My name is Tuhfeh," answered she; and he went on to question the damsels of their names, one after another, [till he had made the round of them all], when he rose from that place and removed to the wine-chamber..? ? ? ? a. The Physician Douban xi.Draper's Wife, The Old Woman and the, ii. 55..9. Nouredin Ali and the Damsel Ennis el Jelis clxxi. There was once, of old days and in bygone ages and times, a merchant of the merchants of Damascus, by name Aboulhusn, who had money and riches and slaves and slave-girls and lands and houses and baths; but he was not blessed with a child and indeed his years waxed great; wherefore he addressed himself to supplicate God the Most High in private and in public and in his inclining and his prostration and at the season of the call to prayer, beseeching Him to vouchsafe him, before his admittance [to His mercy], a son who should inherit his wealth and possessions; and God answered his prayer. So his wife conceived and the days of her pregnancy were accomplished and her months and her nights and the pangs of her travail came upon her and she gave birth to a male child, as he were a piece of the moon. He had not his match for beauty and he put to shame the sun and the resplendent moon; for he had a shining face and black eyes of Babylonian witchery (2) and aquiline nose and ruby lips; brief, he was perfect of attributes, the loveliest of the folk of his time, without doubt or gainsaying..? ? ? ? And high is my repute, for that I wounded aforetime My lord, (215) whom God made best of all the treaders of the clay..After that I tarried till three days had elapsed.. when I went to the bath and changing my clothes, betook myself to her house, but found the door locked and covered with dust. So I questioned the neighbours of her and they said, "This house hath been empty these many days; but three days ago there came a woman with an ass, and yesternight, at eventide, she took her gear and went away." So I turned back, confounded in my wit, and every day [after this, for many a day,] I inquired of the inhabitants [of the street] concerning her, but could light on no tidings of her. And indeed I marvelled at the eloquence of her tongue and [the readiness of] her speech; and this is the most extraordinary of that which hath betided me.' Now the magistrate knew of the theft of the pearls; so he bade clap the merchant in prison. Accordingly they imprisoned him and flogged him, and he abode in the prison a whole year, till, by the ordinance of God the Most High, the Master of Police arrested one of the divers aforesaid and imprisoned him in the prison where the merchant lay. He saw the latter and knowing him, questioned him of his case; whereupon he told them his story and that which had befallen him, and the diver marvelled at the sorriness of his luck. So, when he came forth of the prison, he acquainted the Sultan with the merchant's case and told him that it was he who had given him the pearls. The Sultan bade bring him forth of the prison and questioned him of his story, whereupon he told him all that had befallen him and the Sultan pitied him and assigned him a lodging in his own palace, together with an allowance for his living..Rehwan (Er), King Shah Bekht and his Vizier, i. 215..? ? ? ? a. The Cat and the Mouse dcix. When the Khalif heard this, her speech pleased him and he strained her to his bosom. Then he went forth from her and locked the door upon her, as before; whereupon she took the book and sat looking in it awhile. Presently, she laid it down and taking the lute, tightened its strings. Then she smote thereon, after a wondrous fashion, such as would have moved inanimate things [to delight], and fell to singing marvellous melodies and chanting the following verses:..Ilan Shah and Abou Temam, Story of, i. 126.
